

JUDITH DEANNE FELDSIEN

QUALIFICATIONS

DACVS	(small animal)	2010
MVSc	University of Melbourne	2011
MANZCVS	(small animal surgery)	2004
BVMS	Murdoch University	1997
BSc	Murdoch University	1995

EDUCATION

Master of Veterinary Science University of Melbourne, VIC, Australia	2003—2011
Bachelor of Veterinary Medicine and Surgery University, WA, Australia	1992—1997 Murdoch
Bachelor of Science, Veterinary Biology University, WA, Australia	1993—1995 Murdoch

POSTGRADUATE TRAINING

V.I.P. Chair (surgical oncology) University of Florida, FL USA	Nov 2012-Jan 2013
Resident in Small Animal Surgery University of Minnesota, MN USA	2006-2009
Resident in Small Animal Surgery Murdoch University, Perth WA, AUS	2006
Resident in Veterinary Anesthesia University of Melbourne, Werribee VIC, AUS	2003—2005
Small Animal Medicine and Surgery Rotating Internship University of Melbourne, Werribee VIC, AUS	2002—2003

LICENSURE AND SPECIALTY CERTIFICATION

Diplomate, American College of Veterinary Surgeons, Small Animal	2010
Registration New York Veterinary Board, NY USA	2009-2013

AVMA Education Commission for Foreign Veterinary Graduates Accreditation	2009
NAVLE passing score	2009
Registration Minnesota Veterinary Board, MN USA	2006-current
Membership of the Australian and New Zealand College of Veterinary Scientists by examination—Small Animal Surgery	2004-current
Registration Western Australia Veterinary Board, WA Australia	2006
Registration Victorian Veterinary Board, Victoria Australia	2002-2007
Member Royal College Veterinary Scientists, UK	2000-2006
Registration Queensland Veterinary Board, Qld Australia	1998-2000

EMPLOYMENT

Small Animal Surgeon – consultant/relief BluePearl Veterinary Partners, Minnesota, MN USA	2013-2018
Small Animal Surgeon Katonah Bedford Veterinary Center, Bedford Hills, NY USA	2009-2012
Referral After-hours Surgery University of Melbourne Veterinary Clinical Centre, Werribee VIC AUS	2003-2005
Small Animal Veterinarian Palms Veterinary Hospital, Townsville QLD AUS	2002
Locum Small Animal Veterinarian:	1999—2002
<ul style="list-style-type: none"> • Bridgefoot Veterinary Centre, Warrington UK • Goddards Veterinary Group, London UK • Stonelion Veterinary Centre, London UK • Acorn Veterinary Surgery, Surrey UK • Balby Veterinary Centre, South Yorkshire UK • Gatehouse Veterinary Group, West Yorkshire UK • Carrick Veterinary Group, West Yorkshire UK • Downes and Partners, Essex UK 	
Small Animal Veterinarian Green Cross Veterinarians, Townsville QLD AUS	1998—1999

AWARDS AND HONORS

Best of Westchester – 60 Top Veterinarians Small Animal Surgery	2012
--	------

Mark S. Bloomberg Resident Research Award, 2009
 Veterinary Orthopedic Society

PUBLICATIONS AND ABSTRACTS

Judith D Feldsien, Vicki Wilke, Richard Evans, Mike Conzemius. Serum Cortisol Concentration and Force Plate Analysis in the Assessment of Pain Associated with Sodium Urate-Induced Acute Synovitis. *AJVR*, 2010 Aug; 71(8):940-5.

Judith D Feldsien. Haemodynamic Performance of the Ventrassist® Left Ventricular Assist Device. *Thesis MVSc, University of Melbourne Faculty of Veterinary Science, 2010*

Judith D Cooper, Vicki Wilke, Richard Evans, Mike Conzemius. Serum Cortisol Concentration and Force Plate Analysis in the Assessment of Pain Associated with Sodium Urate-Induced Acute Synovitis *Veterinary Orthopedic Symposium Conference Proceedings 2009*

Cooper, J., Edwards, G., Mason, D. G., Ayre, P., James, N., Wilkinson, C., Snelling, S., Rosenfeldt, F., Murphy, D. and Salamonsen, R.F. Haemodynamic performance of the VentrAssist left ventricular assist device in relation to the native cardiac cycle. *19th European Conference on Biomaterials Proceedings, Sorrento, Italy. 11-15 September, 2005.*

Cooper, J., Edwards, G., Mason, D. G., Ayre, P., James, N., Wilkinson, C., Snelling, S., Rosenfeldt, F., Murphy, D. and Salamonsen, R.F. Haemodynamic performance of the VentrAssist left ventricular assist device in relation to the native cardiac cycle. *Academy of Surgical Research Conference Proceedings, Philadelphia, USA, 2005.*

G.A. Edwards, **J. Cooper**, P. Ayre, N. James, C. Wilkinson, D. Mason, S. Snelling, D. Murphy and R. Salamonsen An animal model for evaluating and developing the performance characteristics of the Ventrassist™ left ventricular assist device. *J. Invest. Surgery* 2004: 17: 345

SCIENTIFIC PRESENTATIONS AND INVITED LECTURES

Minimally invasive options – what is possible and what makes sense 2015
 Raking in the CE (BluePearl), Minneapolis, MN USA

Perioperative Pain Management 2014
 Cleary Lake Veterinary Hospital CE (Bluepearl)

Anesthesia – Not just keeping them asleep 2012
 Technician Continuing Education, Westchester County NY USA

Cortisol Concentration and Force Plate Analysis in the Assessment of Pain Associated with Sodium Urate-Induced Acute Synovitis 2009
 VOS Symposium, Steamboat Springs, Colorado CO USA

Botox. Not Just a Pretty Face 2008
 Grand Rounds, University of Minnesota MN USA

Haemodynamic Performance of the Ventrassist® LVAD 2007
 Grand Rounds, University of Minnesota MN USA

Hospital Morbidity and Mortality Rounds 2006
 University of Minnesota MN USA

Haemodynamic Performance of the Ventrassist® LVAD 2005
 American Academy of Surgical Research Conference

Philadelphia, USA

Coronary Flow and the Ventrassist® LVAD 2005
Invited speaker—Michigan State University, MI USA

Colonic Surgery—a current review 2005
Grand Rounds, University of Melbourne VIC AUS

Fentanyl 2004
Grand Rounds, University of Melbourne VIC AUS

Bone Grafts—a review 2004
Surgery Grand Rounds, University of Melbourne VIC AUS

RECENT CONFERENCE ATTENDANCE

MVMA Conference, Minneapolis, USA 2019

ACVS Symposium, Phoenix, AZ, USA 2018

MVMA Conference, Rochester, MN, USA 2018

ACVS Symposium, Seattle, Washington, USA 2016

ACVS Symposium, San Diego, CA, USA 2014

VOS Symposium, Breckenridge, CO, USA 2014

ACVS Advanced Minimally Invasive Laboratory, Fort Collins, CO USA 2012

VOS Symposium, Snowmass, CO, USA 2011

VOS Symposium, Steamboat Colorado, CO, USA 2009

ACVS Symposium, San Diego, USA 2008

5th International Symposium on Rehabilitation and Physical Therapy 2008
in Veterinary Medicine, Minneapolis, USA

Rehabilitation and the Oncology patient, Minneapolis, USA 2008

Workshop, Minimally Invasive Surgery, Newark, CT 2008

VOS Symposium Big Sky, Montana, USA 2008

VOS Symposium, Sun Valley, Idaho, USA 2007

ACVSc College Science Week, Gold Coast, Australia 2006

ACVS Symposium, San Diego, USA 2005

ACVSc College Science Week, Gold Coast, Australia 2005

ACVSc College Science Week 2004

University of Melbourne uVet Seminar Series, Melbourne, Australia	2004
University of Melbourne uVet Seminar Series, Melbourne, Australia	2003
ACVSc Surgery Chapter Conference, Melbourne, Australia	2003
Ophthalmology by Case Study, Animal Eye Care, Melbourne, Australia	2003
Advances in Soft-Tissue Surgery, Sydney Postgraduate Foundation in Veterinary Science, Townsville, Australia	2002

TEACHING RESPONSIBILITIES

Surgical Oncology Clinical Instruction of 3 rd and 4 th veterinary students and Interns - University of Florida	2012
Technician continuing education Anesthesia – Katonah Bedford Veterinary Center	2009-2012
Small Animal Surgery Clinical instruction of 3 rd and 4 th veterinary students and Interns - University of Minnesota	2006-2009
Intern Seminar Series (2 hours of lectures, 3 hours of lab) Bandaging laboratory, Acute abdomen lectures	2006-2009
VCS 4606 – Animal Management, Musculoskeletal Anatomy University of Minnesota College of Veterinary Medicine	2006
CVM 6420 - Musculoskeletal System and Diseases (1 hour lecture) University of Minnesota College of Veterinary Medicine	2006
CVM 6424 - Advanced Small Animal Orthopedics Laboratory Instructor University of Minnesota College of Veterinary Medicine	2006
Clinical instruction of 3 rd and 4 th year veterinary students, University of Melbourne Veterinary Clinic and Hospital	2002– 2005
Surgical non recovery labs—3 rd year veterinary students University of Melbourne Veterinary Clinic and Hospital	2003-2005
Anesthesia formal tutorials and assessment University of Melbourne Veterinary Clinic and Hospital	2004-2005

MEMBERSHIPS, BOARD AND OFFICER POSITIONS IN PROFESSIONAL AND SCIENTIFIC SOCIETIES

Member Minnesota Veterinary Medical Association	2019-current
International Veterinary Academy of Pain Management	2011-2013
Member New York Veterinary Medical Association	2010-2012
Member American Veterinary Medical Association	2009-current
Veterinary Orthopedic Society membership	2007-2014

Australian and New Zealand Veterinary College membership Surgery chapter	2004-current
Social Committee Member—Murdoch Veterinary Students Association	1994—1996
Murdoch Veterinary Students Association Conference Committee	1996
